The slogan of the Münchner Gaudiblosn:

The Band from Munich is known to bring this amazing atmosphere to every party. So we rocked in the Munich Oktoberfest tent Rischart's Kaiserschmarrn 2017 & 2018 and around the world.

The 'Gaudiblosn' musicians are around on gigs all over Germany and booked all around Europe from Turkey, England, France, Denmark, Italy, Switzerland and Austria. And in recent years also having the U.S.A. and Asia on their tour.

The Gaudiblosn- program covers a vast repertoire from Bavarian-Classics, German Pop, International and latest Party hits, Evergreens, Samba to Rock and Rock 'n' Roll.

Party and atmosphere as on the original Munich "Oktoberfest".

The band plays with the audience and guests and involves them on stage during their special 'Bavarian Olympics' program. Classic Bavarian Fun Games like yodeling, beer-mug-lifting or a traditional dance performance.
